to me, bcc:

We've run the full show (minus a few lines) on the actual stage! Thanks again to everyone for your continued patience, flexibility, and willingness to step up when we need extra helpers.

Please note that **all costume pieces** must be at CHS by Monday's rehearsal and will live there throughout the run.

- Dancers for SparkleJolly need to provide a white, collared, professional (probably buttoned) shirt to go under the red vests unless Christy has approved something else.
- Please call or text Christy with any costume questions at 612- [REDACTED].
